

Abstrak

Pandemi COVID-19 merupakan sebuah pandemi yang disebabkan oleh koronavirus yang ditemukan pada tahun 2019. COVID-19 mulai masuk dan mewabah di Indonesia pada awal bulan Maret 2020. Pandemi ini memberikan dampak yang signifikan pada berbagai bidang di kehidupan sosial masyarakat maupun pemerintahan, termasuk pemerintahan Indonesia. Dalam penanganan pandemi ini, pemerintah melakukan berbagai penyesuaian kebijakan dari pemerintahan pusat hingga sub paling bawah, yaitu pemerintahan desa. Penyesuaian tersebut diantaranya yaitu penyesuaian anggaran dan alokasi dana desa untuk penanganan pandemi. Penelitian ini berfokus kepada bagaimana pengelolaan dana desa pada masa pandemi COVID-19 di Desa Margoluwih, Kecamatan Seyegan, Kabupaten Sleman. Pandemi COVID-19 mengharuskan pemerintah desa margoluwih melakukan penyesuaian APBDes yang difokuskan untuk penanganan pandemi. Dari penelitian yang dilakukan, diketahui bahwa pemerintah desa margoluwih telah melakukan pengelolaan dana desa dengan baik dan telah sesuai dengan peraturan/kebijakan yang ditetapkan pada masa pandemi ini. Adanya penelitian ini diharapkan dapat bermanfaat menjadi bahan evaluasi serta referensi bagi pemerintah desa margoluwih dan lembaga pemerintahan yang setara di masa yang akan datang.

Kata kunci: COVID-19, Pengelolaan, Dana Desa

Abstract

The COVID-19 pandemic is a pandemic caused by a coronavirus that was discovered in 2019. COVID-19 began to enter and become epidemic in Indonesia in early March 2020. This pandemic had a significant impact on various fields of social life and government, including Indonesia's Government. The government made various policy adjustments from the central government to the lowest sub to handling the pandemic, it named the village government. These adjustments are include budget adjustments and village fund allocations to handle the pandemic. This study focuses on how to manage village funds during the COVID-19 pandemic in Margoluwih Village, Seyegan District, Sleman Regency. The COVID-19 pandemic requires the village government of Margoluwih to manage/arrange the APBDes which is focused on handling that pandemic so that it'd be under control. Based on research that has been done, it is known that the village government of Margoluwih has managed village funds well and has complied with the regulations/policies set during this pandemic. The existence of this research is expected to be useful as an evaluation material and reference for the Margoluwih village government and future government agencies
